Civic unions form coalition

Local 38 has joined CUPE Locals 37, 709, 1169, ATU 583, IBEW 254, Calgary Firefighters and the Calgary Police Association in a Civic Union coalition.

The first activity of the newly formed coalition was to establish a website for the upcoming civic election. The website calgaryvoters.ca has been established to provide the combined membership of the coalition partners and other unions within Calgary an easy information gathering site.

The coalition will be surveying all candidates in the Municipal election as well as candidates for both school boards. The candidates responses and other information will be posted on the website so that members can keep informed of the candidates and their issues throughout the campaign.

Please ensure you check out www.calgaryvoters.ca and make your vote count on election day!
